Role Overview

We are looking for enthusiastic, driven, and entrepreneurial individuals to join us as **Sales Interns** in the Real Estate Sales vertical. This role offers the opportunity to work closely with clients, understand real estate trends, develop strategic sales plans, and contribute to overall business growth.

Key Responsibilities:

1. **Lead Engagement:**
   - Make outbound calls.
   - Explain project details, qualify leads, and assess customer requirements.
2. **Relationship Management:**
   - Build rapport with developers' sales teams and customers.
   - Provide customized solutions and maintain a strong follow-up cycle.
3. **Sales Conversion:**
   - Guide clients from inquiry to site visits and ensure consistent communication.
   - Convert qualified leads into sales and contribute to the company's revenue goals.
4. **Customer Satisfaction:**
   - Maximize client satisfaction by delivering outstanding service and solutions.
5. **Market Intelligence:**
   - Stay updated on real estate trends, new project launches, and competitor activities.
   - Share market insights and recommendations with clients and internal teams.
6. **Performance Focus:**
   - Meet individual and team targets in a performance-driven environment.
   - Embrace continuous learning and contribute positively to team success.

Requirements:

- Excellent communication, negotiation, and interpersonal skills.
- Willingness to work weekends (with a mid-week off, e.g., Tuesday).
- Strong organizational and time-management skills.
- Passion for real estate and client interaction
